

# Tommy the Turtle

**1**

**One summer evening**

**Tommy the Turtle was out for a swim.**

**And about 10 minutes into the swim.**

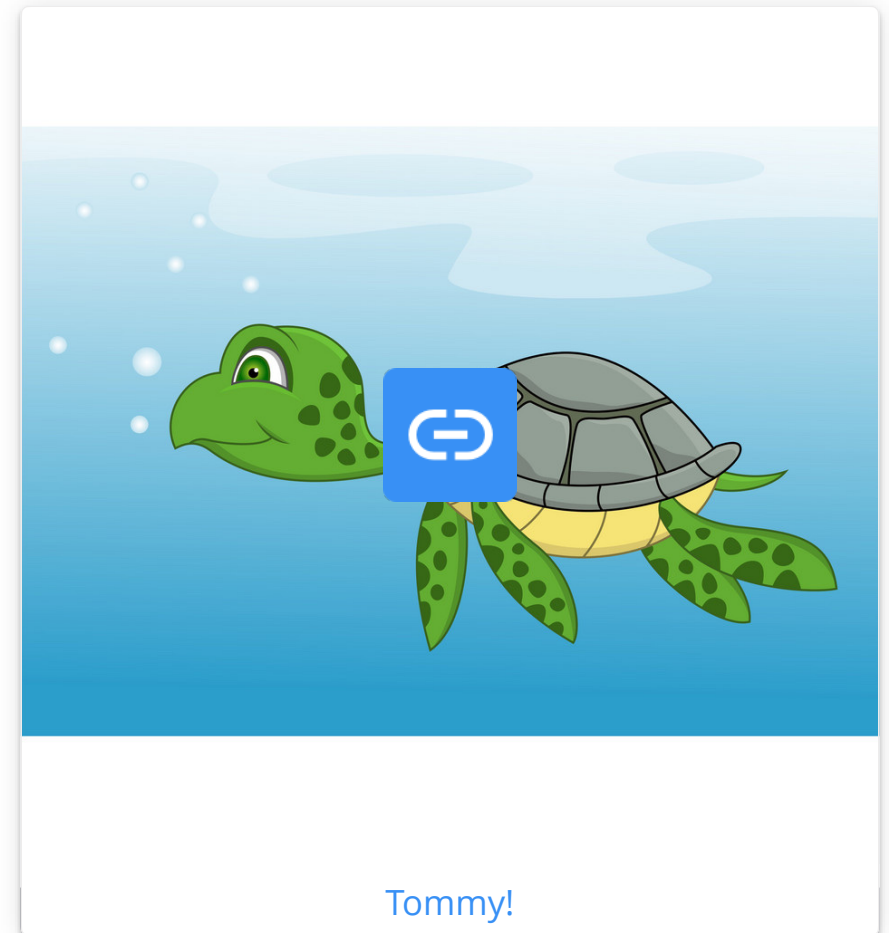

**Something tragic happened Under the sea.**

**Tommy saw something coming his way.**

**He thought it was Sarah the seahorse  
so Tommy swam towards it.**

**It turns out it wasn't Sarah .**

**2**

**3**

**As Tommy started swimming towards what he thought was Sarah he noticed that it was too big to be a Seahorse .**

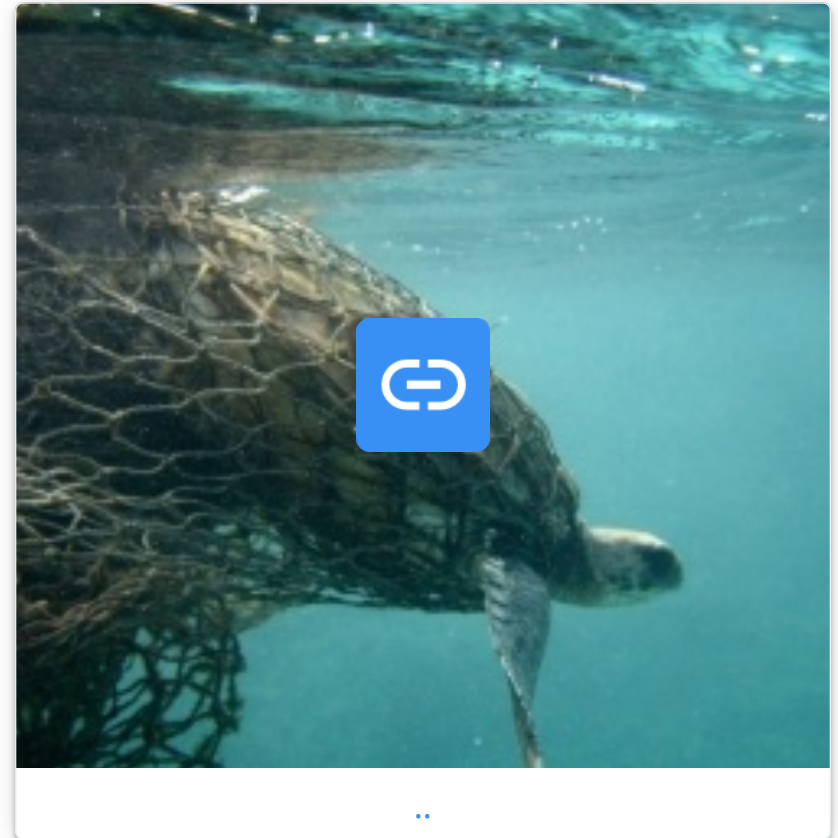

**It started to get closer and closer .**

**When it was about 1 meter away Tommy realised it was after getting quite dark above him.**

**Tommy looked up and saw a boat looking shape .**

**Before he knew it he was swooped up by a net.**

**4**

**5**

**Tommy was dragged up  
on a boat.**

**He then saw some of his  
other friends that had been  
gone missing.**

**He even saw Sarah the  
Seahorse .  
Soon after they arrived on land**

**Then the sea animals were  
put into a big tank in an  
aquarium .**

**6**

**About a week later a scientist named Robbie came into the aquarium .**

**He saw the new tank of sea animals and he felt bad for them .**

**He saw the way people laughed at the animals and how to bang on the glass and how the animals looked very unhappy.**

**So he designed a poster to have a vote to try free these animals back out to the sea.**

8

**9.**

**The voting had a good turnout.**

**56 people wanted the animals to stay.**

**And 60 people wanted to animals to be free.**

**4 days later the animals were brought back out to sea and freed.**

**Tommy's parents were so happy to have him home.**

**They all had a celebration that night.**

**10.**

**Everything was quite the next day**

# **Until**

**They were all just relaxing and they heard a voice saying “hello everyone”.**

**They turned around and it was.**

**Jessica The Jellyfish!**

**Jessica was captured 4 years ago and she must have been let free.**

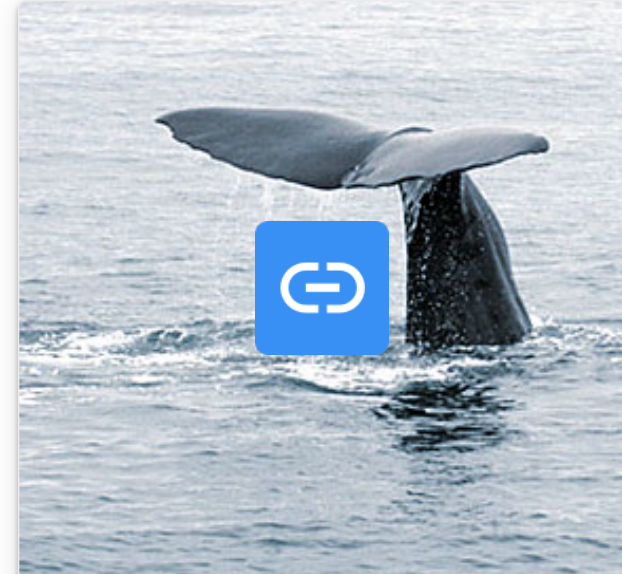

**She was captured because she is a very rare jellyfish.**

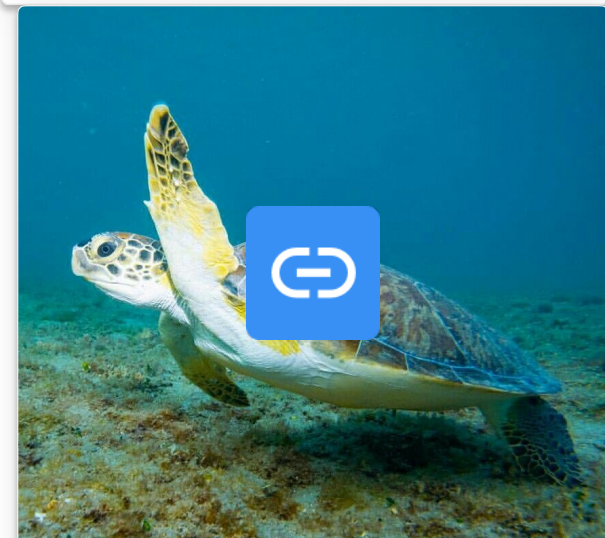

**That is the end of  
the tale Tommy  
The Turtle.**

**Oh wait everyone  
wants to say  
goodbye.**

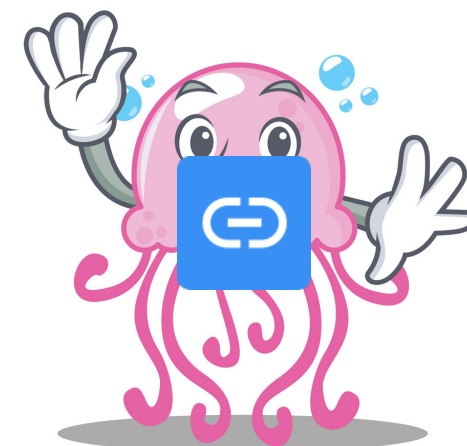

**Everyone :  
BYEEEEEEEEEE.**
